

Have you moved?

Do not send this back to Church of God Ministries in Anderson.

Do send it back to the state you moved from.

If so, be sure you complete these three steps:

1. **Notify the credentials office in the state you are leaving and request in writing a transfer of credentials to your new assembly.** Below is a form you may use.
2. Notify your new state credentials office of your arrival and provide them with necessary contact information.
3. Notify Church of God Ministries, Data Services department if you have a change of address, email address or phone number. Contact Yearbook Customer Service, Yearbook@chog.org

Failure to obtain an Inter-Assembly Transfer from you prior State Credentials Chairperson, could result in being omitted from the Church of God Yearbook. It is critical that you contact your state credentials office immediately to complete your move/transfer process.
